Important Tax Filing Info!

The IRS will begin tax filing on February 12, 2021. The Pyramid Lake Tax Department will also begin accepting tax return information on that same date. Staff is working on safe alternatives to receiving your information for tax filing.

If you are anticipating to receive the Earned Income Tax Credit (EITC) or Additional Child Tax Credit (ACTC), be advised that the IRS will not issue the refunds until the first week in March 2021. The law requires the IRS hold the entire refund including the portion not associated with the EITC or ACTC. This means you will not receive your anticipated refund until then. If anything changes, the Tax Department will let you know. Tax Department hours are Tuesday and Thursdays, from 9:00 am to 3:00 pm.

Congratulations, newly elected Pyramid Lake Tribal Chair, Vice-Chair, and Councilmembers!

Natalia Gonzales, Tribal Council

Chairwoman Janet Davis, and William Miller, Tribal Council

"Tribal Membership, thank you for electing me as your council member. One of my personal goals is to learn as much as I can from each community so that I have a solid foundation and understanding of your community needs. Moreover, to gain the support of the membership, and to participate in events and activities on the reservation. We cannot accomplish things without your assistance. Lastly, I am happy to see the Sutcliffe community building will be up and running this year. I am excited! Again, I thank you for electing me as your newly elected tribal council member." **James Phoenix**

Eligibility for Distributions from the Minor's Trust for the 1st 2021

Quarter

If you are age 18 by March 31, 2021, then you are eligible to receive your payment from the Minors' Trust. Please do not submit early to expect an earlier distribution before your birthday – all Minors' applications will be held and submitted upon the indicated Quarterly Deadline. This application must include an updated address with our Enrollment Officer, Joanne

Shaw, a clear scanned copy of your Photo ID and a deposit slip from your bank with ACH wire transfer number and account number. The routing number must match the one on a check or direct bank form (you may download a form from the PLPT website or acquire one from your bank as well) – do not submit a generic deposit ticket; this can cause delays with your deposit. Please include CLEAR and LEGIBLE contact information in case you need to be reached! If there are any questions from the Pyramid Lake Paiute Tribe staff that are processing your paperwork, PLEASE leave a distinguishable email address and make sure that your voicemail box is set up in the event that we have to leave a message in order to get a hold of you. The tax information brackets on top of the second page MUST be completed, or this will cause a delay in your payment. If delayed, your application won't be processed in time and you will have to wait until the next quarter to receive your funds. The 1st Quarter deadline for year 2021 will be March 31, 2021, and any late applications will be sent then.

Once your application is processed, you can expect a 2-3 month wait until your funds are distributed – the Tribe is responsible for verifying your information and submitting your forms. Because Minors' funds are in a trust, please understand that this quarterly process is because funds are calculated by the length of time it has gathered interest sitting in that trust; it is NOT distributed like the Adults'.

Minors will have up to six years to complete their forms and claim their economic stimulus payment. The six-year count starts on your 18th birthday.

Reminder that the deadline to submit your forms for this 1st Quarter of 2021 is on the last Wednesday of March 2021. Applications received by 03/31/2021 will be processed and forwarded to the Trust the next business day. Applications received after 03/31/2021 will be held until the next quarter submission, which is June 30, 2021. Reminder, it is your responsibility to ensure that your form is received COMPLETE and date-stamped by March 31, 2021. Due to the COVID 19 Pandemic, forms are available ONLINE at <http://plpt.nsn.us/>, or you can request a mailed form by emailing Joanne Shaw, Enrollment Officer, at enrollment@plpt.nsn.us, or Michelle Mix, Administrative Assistant, at adminassistant@plpt.nsn.us. If able, please make sure to download the MINOR'S DISTRIBUTION FORM from our website at plpt.nsn.us.

"When I saw myself bruised and swollen this morning, I wondered if someone could help me instead of shaming me."

Tips for friends and family of sexual assault and domestic violence.

It can be hard to know what to do to help a friend or family member who has been assaulted. Being a good relative brings us to set aside the judgmental bias and even saying things we should not.

You are a secondary survivor of the victim. It is crucial to understand the basic facts and examine our own attitudes and feelings in order to be positive support. Don't allow myths to affect how you perceive the survivor. Aim to find the difference between being supportive and overbearing. (Pandora's Project, 2006).

Often a victim does not realize a crime has been committed against them by the hands of someone they may be dating or have been in an intimate partner relationship. Here are some tips on what survivors want you to know:

- They often take a lot of responsibility for the abuse. Telling us it is not our fault may help lessen the guilt of shame but it cannot take it away.
- Please don't shame the survivor. It is a pattern they are trying to break.
- Do not excuse the abuser's behavior.
- Even if they are safe now, they may be still be fearful of their abuser/attacker.
- Talking about the assault breaks the silence, "breaking the secret."
- Talk with the survivor about having a safety plan; a course of action if this were to happen again. In a perfect world, we want the survivor to stay away from the abuser. In reality, there are reasons the survivor/victim returns to the abuser. It could be to avoid homelessness or for economic reasons.

The Safety Plan

- Get away from the abuse at the first opportunity.
- Keep a bag packed with clothes, medication, and other important personal items you can take when you leave. If you cannot keep it at home, have a friend keep it for you.
- Let others know what is happening.
- When in doubt, contact the Pyramid Lake Victim Services for safety and guidance.

CARES FUNDING PROJECTS 2021 Update

With CARES Funding, starting in July 2020, the Pyramid Lake Paiute Tribe, with the assistance of Pyramid Lake Housing Authority Staff, was able to begin much needed repairs to our community buildings and add improvements to those that needed expansion.

From the Pyramid Lake Housing Authority, their team was able to work on converting the NEVCO building in Wadsworth to a working food bank for the community. Two daycare buildings were added to the current facilities in Nixon and Wadsworth. The renovation of Sutcliffe Learning Center included new windows, kitchen, new building paint, new floors, fan and ceiling work. Much of this work will be completed by March 2021.
