

SUMUNUMU SUBSTANCE ABUSE PROGRAM

Pyramid Lake Health Clinic

Winter 2011

Volume 2, Issue 2

Gathering of Native Americans (GONA) December 6-9, 2011

(GONA) was a 4 day training which addressed issues of Substance Abuse, Suicide, Bullying, Violence.

Goals of this training were:

- ◆ Participants developed a community wellness plan for their community or program.
- ◆ Allow participants an opportunity to network with other people and programs.
- ◆ Participants will practice self-care for self and for others.

Who attended:

Youth~ Community members~ Churches /Clergy~ Domestic Violence programs~ Elder programs~ Tribal Staff~ Urban Tribal programs

Each day participants focused on different parts of life and how this effects each person in growth.

Day One: Belonging

Day Two: Mastery– “Gaining Mastery & healing from what holds us back”

Day Three: Interdependence
“Working together interdependently for positive chance

Day Four: Generosity “Giving Back to Self and Community”

During this training participants were divided into groups.

4 day participants total=131
